NOTE: The Administrative Personnel Policy & Procedures of the Mississippi Band of Choctaw Indians, Native American Preference, Section II, (A), have been revised and approved as follows:

Further bolstering this Native American Preference to promote employment of MBCI members, it is the policy of MBCI to employ person(s) who are not members of MBCI only when no qualified member of MBCI, who has applied for the position, can be trained or upgraded to fill a given job vacancy within a reasonable period of time at a reasonable cost, and then only when a Waiver of Native American Preference has been secured from the Committee on Human Resources, Training and Development on a case-by-case basis.

The Authority to waiver Native American Preference Laws can only be exercised by the Committee on Human Resources, Training and Development. The Committee will exercise its discretion to do so only when a motion is made by a committee member to support such waiver and the Committee determines by reviewing the facts and appropriate written documentation that a waiver is justified. A waiver to allow the employment of a person who is not a member of MBCI, or to employ a person who is Native American outside the order of preference set forth in this Policy, can be made by the Committee only for as long as the person who is granted the waiver remains in the position for which the waiver was granted. That waiver does not apply to other openings which the person who is granted the waiver may request a promotion or transfer for, or apply for. The Committee only has the right to approve or disapprove a waiver that has been requested by Executive Branch supervisors, and has no right to direct, demand, or coerce any Executive Branch supervisor or personnel that any specific applicant other than the one for which waiver is sought, be employed.

Supervisors who do not follow the Native American Preference Policy are subject to disciplinary action up to termination.
